General Business	<p>2027 Planning - regular games and pennant Harvey has been working on dates and venues for 2027. A hardcopy of the proposed fixture was presented. The committee should review to this information in preparation for a discussion at August meeting.</p> <p>Lady member participation is very positive. It was felt that there was no need to introduce a championship at this stage.</p> <p>Corangamite Challenge: Selection process--there will be an open timesheet. Some places blocked for organisers Greg to work out the logistics. The timesheet for Lara (regular game) will open on August 31 and the Corangamite Challenge at Anglesea with open on September 8 (one day later than usual)</p> <p>AGM, Curlewis Friday July 17 Ray will check with Curlewis about room arrangements. Annual reports to Ray soon after the end of the financial year. Nomination forms to be taken to the Lonsdale Links game and also be available on the website</p> <p>A copy of confirmed game day costs to be provided to Mark. This will be done for all future events.</p> <p>Pennant: Final results Clifton Spring d Lara 4/3. A special thanks to Greg and Harvey for their organisational efforts. Results, queries and disputes were handed extremely efficiently.</p> <p>In the future all minutes of committee meeting minutes will be posted on the website</p> <p>Club Championships; Some discussion about introducing 5 rounds with the best 3 to count for the club championships. Little support for this idea as it adds significantly to the administrative requirements. It was decided that the format will remain at 3 rounds with the best 2 to count.</p> <p>Most Consistent Award- Harvey introduced the idea of having a most consistent player award. Areas of discussions were around the number of events we have, the purpose of the "Vets" and what criteria could be applied to determine the winner. The general feeling was that we have enough awards and this trophy would not be introduced.</p>
